AAUW Laguna Beach Membership Mixer

Sunday, September 18, 2011

3:00 to 5:00 PM

Home of Pari Mokhtari
15 Malibu, Laguna Niguel*

Branch Year Starts Off in High Gear!

The AAUW Laguna Beach program and membership committees invite you to attend a very special kick off to the new year. This Mixer, set in a beautiful Laguna Niguel home, is an ideal opportunity to get to know long-time, new and prospective members, who are potential friends and associates. Refreshments, including finger foods and wine, will be provided. Laguna Beach High School Principal **Dr. Joanne Culverhouse** will speak on the subject of Women in Education, both from her personal experience, and in general. Her talk will be followed by a Q&A.

Two additional speakers are student AAUW-LBF scholarship recipients from UCI and the Laguna College of Art & Design. They will share with us inspiring stories about their paths through education.

The purpose of this annual event is to present to the community the goals and achievements of AAUW. Guests will learn about the stimulating programs and special interest groups offered by the Laguna Beach Branch.

New members receive a bargain rate, plus a chance to participate in an educational and lively social format involving local AAUW board members, members-at-large, and our special guest speakers. A special discount is available to anyone new to AAUW or a 2-year lapsed member who joins on this date: \$60.50 instead of \$85.00. ***Plan to bring a friend/potential new member!***

RSVP: Jean Brotherton, 949/494-8796

**Off Golden Lantern between Crown Valley and Camino del Avion*
